

NAME: _____

G.G.8: Know and apply that if a plane intersects two parallel planes, then the intersection is two parallel lines

1. 060928ge, P.I. G.G.8

In three-dimensional space, two planes are parallel and a third plane intersects both of the parallel planes. The intersection of the planes is a

- [A] plane [B] point
[C] pair of parallel lines
[D] pair of intersecting lines

G.G.8: Know and apply that if a plane intersects two parallel planes, then the intersection is two parallel lines
